

Things to Bring

You need to bring:

camera
spare clothing
rain wear
warm jacket – especially if you're with us in the mountains
toiletries
sleeping bag
pillow
personal plate, knife, fork, spoon and coffee cup
somewhere to sleep (tent, camper, motorhome, LQ horse trailer)
spare saddle pad/blanket in case of rain
repair kit in case your bridle/saddle breaks
spare lead shank
spare set of shoes would be a good idea too

If you're any good on a harmonica or acoustic guitar, we urge you to bring it!

We will have both a people and a horse first aid kit with us.
We will have a vet clinic on standby in case there's serious horse trouble.
We will strive to have a farrier on standby in case a horse throws a shoe.
